KNOW THE SIGNS OF DOMESTIC VIOLENCE

Does your partner:

- Slap, kick, choke, hit, punch, bite, throw things at you?
- Shove you, hold you against your will or keep you from leaving?
- Threaten or humiliate you?
- Keep you from working, control your money, isolate you?
- Criticize you, call you names?
- Rape, force sex or accuse you of having sex with others?
- Insult your family and friends?
- Subject you to reckless driving?

• Punish or deprive your kids when mad at you?
